# CHICHESTER CITY FC CLUB PARTNERS

# MEET OUR VISITORS

Although an earlier Sittingbourne United club had been playing since as early as 1881, Sittingbourne F.C. traces its lineage to 1886 when the club was reorganised under the new name. The club moved to a field behind the Bull pub in 1892, where they were to remain for nearly 100 years. Senior status was acquired in 1893, and the following year the club joined the first incarnation of the Kent League, before withdrawing to enter the South Eastern League in 1905.

After World War I the club rejoined the Kent League, where they played until 1927 when they joined the Southern League. In 1930 they left this league and it is unclear where they played next. After World War II the Brickies rejoined the Kent League once again, where they were champions in 1957–58 and 1958–59. After the second title win they rejoined the Southern League, but after a promising start their performances declined and in 1966–67, after finishing bottom, they dropped out to join the Kent Premier League which had changed its name from the Thames & Medway Combination. This lasted for one season and the league folded. In 1968 a new Kent league was formed which the club joined.

During season 1961–62 Accrington Stanley left the football league. This created a vacancy and 25 clubs applied to join, of which Sittingbourne were one. They did not obtain any votes and Oxford United were elected with 39 votes.

Sittingbourne were Kent League champions in 1975–76, 1983–84 and 1990–91, the third title win earning them a place back in the Southern League. In 1992–93, by now playing at the new Central Park ground, they won promotion to the Southern League Premier Division, however a financial crisis led to relegation two years later. Although the team bounced back, winning the Southern Division title at the first attempt, they were relegated again in 1998 as the club hovered on the brink of being wound up completely. A move out of Central Park and a drastic reduction in the playing budget saw the Brickies through their troubles, but they flirted with relegation back to the Kent League for a number of years, only finishing in the top half of the table on one occasion in the next eight seasons.

In 2006 a re-organisation of the English football league system saw Sittingbourne moved into the Isthmian League, starting in Division One South. The 2009–10 season ended with Sittingbourne winning the Kent Senior Cup for the first time in 52 years.

Gary Abbott left his position as manager in May 2011 and was replaced by his assistant Richard Brady. He brought in ex-brickie Jamie Coyle as his assistant. In September 2011 after a brief spell in charge they were offered management positions at Leatherhead and indicated that the positions were too good to turn down. Long serving player, Joe Dowley took over the caretaker position of manager with the assistance of players Bradley Spice (assistant manager) and Bryan Glover (coach). In November 2011 the committee were impressed

with what had been achieved that they made their positions permanent.

Joe Dowley resigned as manager after the last game of the 2011–12 season stating that he wished to return to his playing career. In May 2012 the club employed the Scottish brothers Jim & Danny Ward as joint managers. They were previously with Ramsgate who they left in April 2012. The Ward brothers left their position in September 2013 by mutual consent.

In September 2013 after a brief successful spell as caretaker managers, Matt Wyatt and current player and captain Nick Davis were appointed joint managers. In July 2014 Nick Davis resigned as joint manager and Matt Wyatt continued as manager on his own for a short period and then resigned himself in October 2014. His replacement was his previous joint manager Nick Davis. Season 2017-18 started with only 2 players remaining from the previous season. A new squad was recruited and the season started on a positive note and at one point saw them reach the top of the table. However this did not last and a succession of poor results saw the team drop down the table.

In January 2018 Nick Davis resigned and was replaced by one of the coaches, Aslan Ödev, as an interim manager for the rest of the season. After much success, in April 2018 Aslan Ödev was awarded the role of manager and will continue for the 2018-19 season. The 2018-19 season started well for the Brickies but then started to go downhill with a string of poor results. In January 2018 Aslan Ödev left his position and was replaced by Chris Lynch the Dover Athletic head of youth development.

# **BOWERS & PITSEA FA CUP REPORT**

**IAN WORDEN**

**Chichester City made history and reached the first round proper of the FA Cup for the first time since 1960 following a hard fought win at the Len Salmon Stadium.**

**There'll have been a few sore heads the morning after.**

**And why not? It's not every day after all that your football team makes it to the first round proper of the FA Cup.**

**The last time, and up until now, the only time, a City side made it to the first round of the world's oldest knockout competition was in 1960.**

**Now they've done it again after battling through six rounds of qualifying, and as the last club standing who started their FA Cup adventure back in August in the extra preliminary round.**

**Not so long ago the club was on the brink of going out of business but on Monday Chichester will be in the hat for the draw alongside the likes of Portsmouth and Sunderland and the other League One and League Two sides thanks to a bit of luck, some dogged defending and the kind of team spirit that has lifted everyone connected with Chi through this remarkable run.**

**Chichester have experienced a dramatic upturn in fortunes on the pitch in recent years. A run to the fourth round of the FA Vase in 2016-17 was bettered the following season as Chi made it to the last sixteen only to lose 1-0 in the 89th minute against 1874 Northwich.**

**They lifted the RUR Cup that year beating local rivals Pagham 4-0 then claimed the SCFL premier title in 2018-19 and promotion to step 4 of the non-league pyramid for the first time ever.**

**The FA Cup though has not been kind to Chichester, who have won only once in the early qualifying rounds of the competition in the past ten years, but the underdogs got off to a dream start in this memorable cup triumph at Bowers & Pitsea when Matt Axell put them ahead with a 15th minute penalty after Josh Clack was impeded by Bowers skipper Martyn Stokes.**

**A powerful Ryan Davidson header gave Clack something to run on to. Stokes got there first but didn't get enough on the ball to play it back to keeper Callum Chafer and pulled Clack down. The referee had no hesitation in pointing to the spot and Axell stepped up and calmly converted.**

**Bowers, who ply their trade one step higher than Chichester in the Isthmian premier division, had looked the more likely to score in the earlier exchanges. Top scorer Brad Warner was involved in most things and the Chi back four did well to smuggle the ball away when Max Cornhill had a shot blocked following a Warner set-piece with barely five minutes gone.**

**City captain Connor Cody was in regular duels with Lewis Manor with Manor looking to feed Warner and others knock-downs.**

**Steve Mowthorpe then gathered convincingly as Warner whipped in a cross from the left before Cody diverted an effort by Warner for a corner that Axell headed clear.**

**Cornhill might have equalised in the home side's first attack after falling behind but the No8 couldn't get enough purchase on the ball.**

**Another attempt from Warner forced Mowthorpe to gather on 20 minutes before Chichester doubled their lead through a freak goal when a clearance cannoned off Kaleem Haitham and looped beyond a hapless Chafer.**

**Chances came and went as Warner caused further trouble with a free-kick and Manor pulled a smart save out of Mowthorpe after Quentin Monville's long throw wasn't dealt with.**

**And then a couple of blocks bailed Chi out as the ball pinged off players in the box before Warner brushed a header the wrong side of a post on the half hour.**

**Lloyd Rowlatt in a rare raid for the visitors blazed one high and wide before Mowthorpe got off his line quickly to intercept a Manor flick-on intended for Warner.**

**Persistence by James Thomas almost paid off in the next move but Cody and Davidson combined effectively to tidy things up.**

**Referee Callum Walchester brandished the first yellow card of the match to Ryan Sammons for a foul on Axell in the 38th minute. Axell dusted himself off and took the set-piece himself but it was too deep and drifted harmlessly out for a goal kick.**

**At the other end a super cross from Monville was inches away from Warner before Chi forged two decent opportunities a couple of minutes before the break when Gicu Iordache rattled the woodwork with a fierce drive and Axell fizzed a shot just over the bar.**

**Bowers were quick out of the blocks in the second half. Warner had an effort charged down and Mowthorpe got a strong glove to a long throw from Monville – these would be a constant threat.**

**Cody put his body on the line to deny Thomas on 54 minutes and Davidson and Rob Hutchings both made timely interventions as the home side sought to get back into the tie.**

**Mowthorpe then tipped over a bullet header from Manor and Davidson cleared the resulting corner.**

**Manor's next shot on the turn nicked off a defender for another corner.**

**David Knight then came on for Thomas. The Bowers striker was prolific last year, scoring 42 goals in all competitions for the Essex outfit, and he was soon in the thick of things picking out Manor who headed over.**

**Cody then managed to hold off Knight and guide the ball back to Mowthorpe.**

**Chi had a storm to weather as the hosts forced corner after corner and free-kicks in dangerous areas.**

**Davidson, arguably the visitors' man of the match, managed to steer a set-piece away on 68 minutes after Monville had threatened down the right.**

**Plaudits poured in across social media platforms for Chichester's achievement. The Emirates FA Cup tweeted "History made, congratulations Chichester City".**
